REQUEST FOR WITHDRAWAL AS ATTORNEY
under 37 C.F.R. 10.40 (c) (2) and (6)

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

The undersigned principal attorney of record, on behalf of himself and on behalf of all the other attorneys and agents of record (all now or previously with the law firm of McDonnell Boehnen Hulbert & Berghoff) hereby applies to withdraw as attorneys or agents of record in the above-identified patent application. This request is submitted under 37 C.F.R. § 10.40 c) (2) and (6).

The reasons for the request are as follows: the attorneys of record are placed in a position of potential conflict of interest and violation of Rule 10.66 (refusing to accept or continue employment if the interests of another client may impair the independent professional judgment of the practitioner).

This application was prepared and filed by the undersigned with the approval and consent of two parties, T.O.P. Service fur Lingualtechnik GmbH (employer of inventors

Paehl and Wiechmann) and OraMetrix, Inc. (the employer of inventors Wiese and Rubbert). The parties executed a letter of intent in December 2001 regarding the subject matter of this patent application, wherein the parties shared a common view regarding assignment of the patent and licensing of exclusive rights in the subject matter of this patent application.

Relatively recently, the interests of T.O.P and OraMetrix have diverged and they no longer share a common view regarding the ownership and licensing of the subject patent. In view of the above, the undersigned and the other attorneys of record cannot continue as attorney of record without possible violation of paragraphs (b) and (c) of Rule 10.66.

The undersigned has written to both T.O.P. and OraMetrix regarding the undersigned's desire to avoid a possible conflict of interest. At this time, the parties have not given the undersigned their written consent to continue representation in this matter and their commitment to speak with one voice regarding the ownership and licensing of the subject patent application.

In view of the above, withdrawal as attorneys of record is requested.

The Office is advised of the current mailing address of T.O.P and OraMetrix:

OraMetrix, Inc.
12740 Hillcrest Road, Suite 100
Dallas, Texas 75230

T.O.P. Service für Lingualtechnik GmbH

Respectfully submitted.
